Notification of a decision of the Boards of Appeal

Please find enclosed the decision of the First Board of Appeal dated 28/06/2021 concerning the appeal R1547/2019-1.

Article 72 EUTMR provides that an action may be brought before the General Court against decisions of the Boards of Appeal. The action shall be brought within two months from the date of notification of the decision of the Board of Appeal.

Should you intend to challenge the legality of the Decision of the Board of Appeal, your attention is drawn to the Rules of Procedure of the General Court published on 25 September 2018 (OJ 2018 L 240, p. 68), and to the Decision of the General Court of 11 July 2018 on the lodging and service of procedural documents by means of e-Curia (<http://curia.europa.eu/jcms/jcms/Jo27040/>).

By virtue of those texts, with effect from 1 December 2018, the e-Curia application will become the sole means of correspondence between the parties' representatives and the General Court Registry. It follows that procedural documents must be lodged with the General Court Registry via the e-Curia application and that service will be made by the General Court Registry using that application.

In light of the above information, parties' representatives who do not yet have an account for access to the e-Curia application should ask to have such an account opened.

Information about the e-Curia application is to be found on the website of the Court of Justice of the European Union (https://curia.europa.eu/jcms/jcms/P_78957).

To the extent that you are adversely affected by the attached decision and you nonetheless decide not to challenge it, please inform us accordingly as soon as possible.
